Trash

Help:

Intended usage:

Error Checking:

```
vagrant@ubuntu2010: ~/test
vagrant@ubuntu2010:~/test$ ls
test1 test2
vagrant@ubuntu2010:~/test$ trash
No arguments specified
usage:
  trash <file>
  trash -d <directory>
vagrant@ubuntu2010:~/test$ trash -x
/home/vagrant/bin/trash: illegal option -- x
usage:
  trash <file>
  trash -d <directory>
vagrant@ubuntu2010:~/test$ trash -d test2
test2 is not a directory
usage:
  trash <file>
  trash -d <directory>
vagrant@ubuntu2010:~/test$ trash test1
test1 is a directory
usage:
  trash <file>
  trash -d <directory>
vagrant@ubuntu2010:~/test$ |
```

How to add an rm alias:

Add

alias rm=trash

to the end of the file

```
alias rm=trash
"~/.bashrc" 122L, 3850C 120,2 Bot
```
